Class Specifications
For the Class:

FOOD SERVICES DRIVER

Duties Summary:

Operates a food van to transport food, food carts and related equipment and supplies; assists in the preparation of food for meals; and performs other duties as required.

Distinguishing Characteristics:

This class represents mixed duties in support of institution food services. The work involves routine general kitchen activities and the operation of a food van. The operation of the food van is limited to the confines of an institution and/or restricted to less than a major work assignment.

Examples of Duties:

Loads food onto food carts and food van; transports food and returns empty carts and utensils to the kitchen; transports supplies, laundry and other items as necessary; assists in preparing food for meals by buttering bread, cleaning vegetables, and counting proper portions of food such as milk, ice cream and fresh fruits; cleans food carts and trucks; scrubs kitchen floors; transports workers as necessary; may supervise students or others assigned to assist in delivery of food.

Knowledge and Abilities Required:

Knowledge of: Methods, materials and equipment used in cleaning kitchen appliances and utensils; safety and sanitary requirements, and personal hygiene; hazards and safety precautions applicable to the operation of trucks.

Ability to: Operate and maintain a food van; give and receive oral and written instructions; work well others; and carry heavy loads when necessary.
